Quality Assurance Manager
REACH – Environment and Safety Manager

Object: Declaration of compliance to European Regulations on the restriction of use of certain Hazardous Substances and Regulation on Registration, Authorization and Restriction of Chemical Substances (RoHS, SVHC, REACH, RAEE, PFOS, PEOE).

Hereby, Cabro SpA informs that its products, substances and compounds, comply with current regulations for safety and environmental protecting the health of the workers involved.

Cabro SpA comply with the criteria required by EU legislation, as it does not use or apply restrictions to certain hazardous substances, in the composition and in the process of substances currently produced. Consequently there is no exceeding on the acceptable limits imposed by the concentration of heavy metals and other hazardous materials.

In accordance with article 33 of EC Regulation N. 1907/ 2006 (REACH) and the Directive 2011/65/UE (RoHS), as supplier we are required to declare the presence of substances included in the list SVHC (substances of very high concern) of REACH, if they are present in our products in higher concentration than 0.1% by weight.

Following recent additions by ECHA of further chemicals substances to the list SVHC, we inform you that in CABRO SpA products and packaging containing them, there does not appear to be:

- Substances “very high concern” (SVHC) in a concentration above 0.1% by weight
- Substances with restricted use or introduction on the market included in Annex XVII of the REACH Regulation, as amended by EC Regulation 552/2009
- Substances with restricted use in electrical and electronic, as indicated in Annex II of Directive 2011/65/EU (Regolamento RoHS)
- Substances restricted for use, introduction on the market and dangerous in relation to the latest updates on RAEE, PFOS, PEOE.

Cabro SpA representative for everything related to the REACH Regulation is: Environment and Safety Manager, Sergio Severi – email: sergio.severi@cabro.it – 0575-984442 – Fax 0575-959190.

Thanking you for your kind collaboration, we send you Best Regards
